1. Ten minutes? Ten minutes with the king of king to kingly'ize the kings that don't know/haven't known they were, the king, of kings? What meaneth this these assertions not but who knoweth truth when they see/encounter it/me; it, the me that I am my father is? I love you.

2. I am as my father is, being my his seed forevermore, groweth up unto the full ear of corn, not; the fullness of father, my father your father, your growing up into him also, if in surrender, you surrender the ultimate; surrender that surrender is.

3. I love you surrenderer one that surrender preaches, not; models and for'to'sakes, not; but shows how to humble oneself to be the humbler, not; the humble one bowing before death, not; defeating her/it, the it that was is no more. And death defeated, reigns who? Me, all'life is/being, the generator of life pure simple sweet and father'd, being the father father is. He let me. Put himself in me, I birthed him, not; he birthed me! I was him all along not knowing/realizing it, this; can it be so??? It is not not. It is so. Truth. And double negatives negating me not but emphasizing the real'true that now some see, not; trouble with, but truth in, seeing it, me, them! I love you.

I love you bearers under, not; a load of care, but truth in, now seeing, birthing; the birthing process showing/modeling and model all for me, not; show the real that they are to the real that enter the real, not leaving the real'not but **establishing the head**; not'me not but me head raised. Into position, not; authority, not; humble one raising not me, not; the me that humble is, truth'bearing bearing. Asunder not; many sons now bearing sons and daughters all.

5. I love/am you the saints, not; are there any/one? Me. I am my father's pet, not; his son, that he is; just like me, not; I am just like him, for I became him. There is no distance/separation that separates anything thought. I love you all. Me loves thee, you all of you.

6. My music changes dramatically; things not me leave my lyrical lyrics to become the me real embodied in my body real; and all know and see feel my coming, not; being, me. I am the see'er embody'er and surrenderer to my father surrendered to my father surrendered, not; one father surrendered to all.

7. Judge themselves they do now. All rise, not; many beckon, few are called, not; all are called, their names on many rolls, not; one, mine. I love you.

8. Reckon, not; I believe the wrath'takers not, seeking wrath'ers to take the rap for them. Let them not. See the me you are now, now. NOW! I love you all.

9. I embrace the now, do you? Can you see it/me, in you, the now me, who surrendered, that urged not suffering'tudes of magnanimous propositions not me centuried/centuries surviving to entangle many with/in? But see/be the light I am, simple'plex'd not; simple humble bow'ers each to the other, listeners, bowing ears hearts and being,s. I love you all. Good day.
